

# Specification

|                                         |                              |                      |            |
|-----------------------------------------|------------------------------|----------------------|------------|
| Item number:                            | 5197                         |                      |            |
| <b>Chondroitin sulphate sodium salt</b> |                              |                      |            |
| for biochemistry                        |                              |                      |            |
| CAS No.:                                | 9007-28-7                    | print date:          | 20.04.2017 |
| formula:                                | $(C_{14}H_{20}NNaO_{15}S)_n$ |                      |            |
| density:                                |                              | storage temperature: | +4 °C      |
| molecular weight:                       |                              |                      |            |

## Type analysis

|                       |               |
|-----------------------|---------------|
| <b>Appearance</b>     | bright powder |
| <b>Assay</b>          | ≥90,0 %       |
| <b>pH-value</b>       | 5,5-7,5       |
| <b>Loss on drying</b> | ≤10 %         |

Our products are tested for laboratory use only.  
The stated information refers to the current status of product quality.
