

# Specification

|                                 |                                       |             |            |
|---------------------------------|---------------------------------------|-------------|------------|
| Item number:                    | 8450                                  |             |            |
| <b>Calcium hydroxyphosphate</b> |                                       |             |            |
| Ph.Eur., extra pure             |                                       |             |            |
| CAS No.:                        | 12167-74-7                            | print date: | 20.04.2017 |
| formula:                        | $\text{HCa}_5\text{O}_{13}\text{P}_3$ |             |            |
| density:                        |                                       |             |            |
| molecular weight:               | 502,32 g/mol                          |             |            |

## Guarantee analysis

|                                     |                              |
|-------------------------------------|------------------------------|
| <b>Appearance</b>                   | White or almost white Pulver |
| <b>Assay (Ca)</b>                   | 35,0-40,0 %                  |
| <b>Identity</b>                     | complies                     |
| <b>Identity Calcium</b>             | complies                     |
| <b>Identity Phosphate</b>           | complies                     |
| <b>Substances insoluble in HCl.</b> | $\leq 0,2$ %                 |
| <b>Chloride (Cl)</b>                | $\leq 0,15$ %                |
| <b>Fluoride (F)</b>                 | $\leq 0,0075$ %              |
| <b>Sulphate (SO<sub>4</sub>)</b>    | $\leq 0,5$ %                 |
| <b>Heavy metals (as Pb)</b>         | $\leq 0,003$ %               |
| <b>Arsenic (As)</b>                 | $\leq 0,0004$ %              |
| <b>Iron (Fe)</b>                    | $\leq 0,04$ %                |
| <b>Loss on ignition (800 °C)</b>    | $\leq 8,0$ %                 |
